RE: Addresses for Billing  
DATE: November 13, 2007

Your school district is a member of our organization, and thus remits to us membership dues and fees for student programs and staff development opportunities. Please search through your database of vendors to remove old information and addresses for our organization, and to verify that you have our current address for billing purposes.

You may have entered us in any of the following ways, or more:

- Greater Dane County TAG Coordinators Network
- Greater Dane County TAG Network
- Greater Dane TAG
- TAG Network
- GDCTGCN
- GDCTGN
- U-TAG (really old!)

These contact names and/or addresses are no longer correct:

- Suzanne Matiash in Mount Horeb or Waunakee
- Cheryl Saltzman in McFarland or Madison
- Wendi Tavs in Marshall or Fall River
- Martha Barlow in Waunakee

At the current time, the correct billing contact/address is:

- GDCTGN (or Greater Dane County TAG Network)
- Attn: Julie Cushman
- Mount Horeb Middle School
- 900 East Garfield Street
- Mount Horeb, WI 53572
- Fax: 608 437-6227

Thank you for your attention to this matter.
